

Early Thinkers: A Concern with Social Order and Stability

In partners, you will be researching six different early thinkers in the field of Sociology.

Format:

- You will create a PowerPoint slideshow to convey your information.
- You will **NOT** have to present, but if you wish to present, you will get a bonus mark added to your grade for this assignment. Those wishing to present must inform me by Friday, September 19th, and they will present on Monday, September 22nd.
- Your PowerPoint should be a Minimum of 9 slides
 - Title slide
 - Introduction slide
 - At least one slide for each thinker
 - Works Cited slide
- For each thinker, please include:
 - A picture of the thinker
 - An outline of their philosophies and main contributions to Sociology
 - Any interesting tidbits you may find

Resources:

- Textbook- Rely on this the most for slide info
- Internet- Use this to do some additional reading on each thinker for better understanding.

Due Date: Monday, September 22nd.

Lab Time: Thursday, September 18th and Friday, September 19th.
