

Conference Questions

1. Select one English assignment you have completed this semester and explain how it demonstrates that you have successfully met one or more of the English outcomes.

2. Select one assignment from another class that you have completed this semester and explain how it demonstrates that you have successfully met one or more of the English outcomes.

3. What are you most proud of in English class this semester? What would you have done differently in English class this semester?

4. Discuss your growth in English this year. You may want to think about:
 - the goals you had set
 - the areas in which you have improved or learned the most
 - your ability to use the skills and strategies you learned in English in your other subject areas.

5. What did you find most challenging about learning during COVID? What strategies can you use to overcome this challenge next semester?
